

# IMPACT 2020: TASK FORCE FOR COMMUNITY ENGAGEMENT

## PROGRAM OVERVIEW

*Impact 2020: Task Force for Community Engagement* equips high school students with the tools and knowledge they need to become catalysts for change in their communities. Over the course of nine weekly 90-minute sessions this fall, students will network with diverse peers nationwide; hear inspiring stories from young activists on strategies and models of advocacy and activism; deepen their understanding of issues and root causes in their communities; and work together to create meaningful solutions.
